

## USS FLOYD B. PARKS DD-884 ASSOCIATION

July, 2016

### MESSAGE FROM THE ASSOCIATION'S PRESIDENT

Greetings from the Land of 10,000 Lakes and many, many, more biting, stinging, and blood sucking bugs. Throw two new puppies into the equation and so far it has been an interesting start to the summer.

The highlight so far was to be able to recognize and honor my community's last D Day landing veteran at our Memorial Day ceremony. We have managed to keep an important small town tradition alive with ceremonies at three cemeteries, laying a wreath at the lake landing for our sailors, and a remembrance program at the local school.

Your Event Planner has been processing registration forms, and I am pleased to report that we have several new members signed up already. Also, we will be seeing some familiar faces that haven't been able to attend in a while. Welcome back.

The Colorado event schedule has come together without a hitch. The **early July 11 deadline** is necessary because two of the events, (Gorge Train and Garden of the Gods) are in very high demand and large groups have to be scheduled early on. Additionally, as another example of the need for early scheduling, when Pamela checked on comfortable buses in early April, we got the last ones available. Please pay close attention to her specific information elsewhere in this Newsletter.

We have been receiving some good feedback from those already registered on the train - lunch menu choices and the fact that Pike's Peak is literally right behind the hotel. While they say you can't please everyone every time, I am confident that your Association is going to provide you a quality experience both in terms of the activities, and our time at the Marriot from your registration to your last complimentary made to order breakfast buffet.

You're Event Planner and I will be on site by Tuesday evening, and the Officers and Helpers will have the hospitality room open starting Wednesday evening. For those who were at Minneapolis, please remember to bring your Floyd B. Parks lanyard for your nametags. For first time attendees, bring your spare address labels for use on the tickets for our super raffle prizes.

The men's meeting is scheduled for 0930 Sunday. There is a lot to cover, and Dennis and I intend to present several items of new business that will require some discussion time. Thanks to all who took the time to complete the survey forms at Minneapolis. The results will be used going forward in planning future reunions.

Fair winds and following seas to All! Jim Smith

Greetings to the Parks Crew,

I do hope this newsletter finds each of you well. Great news about Maggie Highton and her recent surgery. The last report I heard sounded great. Jim we have all kept both of you in our prayers and this proves the power of our efforts.

I received news of the loss of two more shipmates. Elaine Ezell, a relative of Arthur Miller shared Arthur died December 15, 2015. He was on the PARKS crew from 1949 to 52. Eleanor Minnock shared that Francis (Frank) died in May 2015. She thought she had written to all the ship's associations, but missed ours. Frank was on PARKS from 48-52 and served nearly 30 years in the Navy. He is buried in Arlington National Cemetery.

Diana and I just returned from a mini reunion with the Halls, Elmore's, and Kotulskis. We had a great time in down town Chicago among other fun places. I hope to visit a few other shipmates before September.

We are all looking forward to Colorado and some relief from our heat and dry weather in Missouri. Please keep me informed of any needs that I can help with. May our lord keep us safe and well to be together soon.
